

Drainage – Serviceperson

If you are someone who appreciates variety in their day and are seeking an opportunity to further your career, this role will be perfect you!

You will work throughout the Wellington Region and really enjoy the outdoors.

What we can offer:

- On the training provided and career development.
- A great team-working environment.
- Paid what you are worth, with clear progression.

What you'll do:

- Install, unblock and repair drainage pipes and mains;
- Relocate existing drainage connections;
- Install and maintain valves and pipes;
- Routine maintenance of any issues within the drainage systems;
- and minor infrastructure upgrades to name a few.

What you need:

- Be actively working towards the New Zealand Certificate in Infrastructure Works Level 3 (Stormwater and Wastewater Pipeline Construction and Maintenance).
- Driving Licence Class 1 and 2 (HT Full).
- Endorsements on license W,T,F (Roller optional).
- Hold experience in working independently on range of basic repairs across the drainage network.
- Be able to assist effectively on more complex jobs, with a more experienced serviceperson or under supervision and guidance.
- Be well-presented and have great customer service.

You will have an enthusiastic attitude about learning and upskilling, so in time you will be able to take the lead on jobs while working to a high standard independently.

*** Full Training could also be on offer for those who are interested with the best attitude ***

To be considered for this role, an interview will take place and references will be conducted. You will also pass a pre-employment medical, drug and alcohol screening.

Applicants for this position should have NZ residency or a valid NZ work visa.

Email your CV and cover letter to anne.smith@jobsmith.co.nz to apply.
