Electrician Registered

Permanent job - Opportunity for change, up skilling and diversification.

Is this your opportunity to change from residential to commercial building services?

Maybe it's your opportunity for cross training from Electrical to HVAC?

Whatever your reason, this is a fantastic opportunity

To be the successful applicant for this role you will:

- Trade qualified (Electrical) with a current practicing license;
- Be a great 'people person' as you will be dealing face to face with clients;
- Able to work unsupervised;
- Have high standards of workmanship;
- Proven ability to deal with a diverse business base with a strong customer focus
- Think on your feet and take responsibility for outcomes
- Have a keen eye for detail
- Good verbal and written communication

In addition, a flexible approach to work is also required, with availability covering the seven (7) day cycle, including nights, weekends, and public holidays on a rotation basis.

Long term, our client offers opportunities for career progression and professional development. You will receive, on the job training where required, uniform, excellent salary conditions and opportunity for growth.

If this role isn't quite what you are looking for, feel free to contact us and tell us what you are looking for.

The majority of our vacancies are posted on our own job board / website at:-
