

## ***Working Foreman – Registered Electrician***

### ***Building Services***

We are currently seeking a Working Foreman with proven supervisory experience running commercial jobbing contracts as well as a mix of preventive and corrective maintenance for clients.

This role requires the Foreman to physically participate in this work, along with site coordination, execution of inspection, repair, upgrade, installation and alteration work.

#### **Qualifications/Experience:-**

- At least 5yrs experience in a similar role;
- Relevant Trade qualification and certifications;
- Project planning and management;
- Effective written and oral communicator;
- Handling multiple tasks effectively and remaining calm under pressure;
- Developing and maintaining positive and co-operative relationships with clients.

This is a fantastic opportunity to join a company that has great ‘technical’ depth, that can offer varied projects, and great career progression.

Please note that this advertisement is not a job description and you should satisfy yourself about the full details at interview

#### **Interested?**

In the first instance please e-mail your CV to [anne.smith@jobsmith.co.nz](mailto:anne.smith@jobsmith.co.nz)

Please be assured that all contact is treated in complete confidence. Any details you provide will be securely retained and will not be passed to a third party without your prior permission.
