JOBS FOR PEOPLE, PEOPLE FOR JOBS

Experienced Press Brake & Guillotine Operator – Hutt Valley

About the Role:
My client, a well-regarded workshop based in the Hutt Valley, is looking for an experienced Press Brake & Guillotine Operator to join their busy production team. This is a full-time, permanent role suited to someone with a strong background in metal processing who can jump straight into the job with confidence.

The work is hands-on and varied, involving precision cutting and folding of sheet metal to meet customer specifications, as well as general workshop tasks. You'll be part of a collaborative, quality-focused team that values initiative, reliability, and high standards of workmanship.

What You'll Be Doing:

- Operating the press brake to fold various metal materials accurately
- Cutting metal using a guillotine and bandsaw
- Reading and working from technical drawings
- Assisting with general fabrication and workshop duties
- Performing occasional pick-ups and deliveries
- Operating a forklift (if licensed)
- Maintaining workshop tidiness and equipment safety

What We're Looking For:

- ✅ Proven experience operating a press brake and guillotine
- ✅ Ability to read and interpret fabrication drawings
- ✅ Strong attention to detail and quality control
- ✅ Health & Safety-conscious and workshop savvy
- ✅ Physically fit, reliable, and a solid team player
- ✅ Forklift licence (OSH) is a bonus – or willingness to get one

Desirable Qualifications:

- NZ Certificate in Mechanical Engineering (Level 4) or equivalent trade qualification
- Forklift OSH licence (F endorsement a plus)

Applicants for this position must have NZ residency or a valid NZ work visa.

To be considered for this role, an interview will take place and references will be conducted. You will also pass a pre-employment medical, drug and alcohol screening.
