

## Security Technician | Service & Installation

**Company:** JOBsmith  
**Location:** Wellington, Wellington  
**Type:** Full time, Permanent

**Pay and benefits:** Dependant on level of expertise and experience

**Listed:** Wed, 22 May

**Your reference #:** Security

Security Alarm Systems Installation Technician.

We also have a requirement for Project Supervisors capable of 'large' projects.

This work involves mainly the installation and maintenance of intruder alarms, access control systems and CCTV systems.

The successful candidate will:-

- Proven track record in service, installation and commissioning
- Have strong diagnostic and troubleshooting ability
- Build rapport with clients;
- Well developed communication both written and verbal;
- Have a good level of fitness and energy;
- Confident enough to work totally unsupervised from time to time;
- Great customer service
- Be well organised;
- Maintain a good personal appearance
- Be extremely neat and tidy in their work.

Candidates must have a spotless criminal background and a current drivers licence. Extensive background checks will be carried out on those who are short-listed

This is a fantastic opportunity offering job security for your future.

To apply for this opportunity, please submit your up to date cv.
