

Small Engine Mechanic

Seeking a self-motivated individual to join our clients team in their well equipped workshop.

The majority of your day will be spent:-

- Fixing ride on mowers and hand held equipment;
- Dealing with a variety of customers both face to face and over the phone regarding the purchase of new outdoor power equipment;
- Organise parts and taking details of repair work to be done.

What will be required is:-

- NZQA Trade Certificate in Small Engine Repair and Servicing
- At least 5 years on-the-job experience
- A full clean drivers licence
- Computer literate
- A friendly and helpful attitude towards customers?
- Retail sales experience
- Managing the business in the owners absence.

Our client is committed to ensuring a safe and healthy work environment and the successful applicant will be required to undergo a pre-employment drug screening test.

If you have answered YES to these questions, then you MUST NOT delay your application! We want to hear from you now.

Hourly rate will reflect qualifications and experience.

A company vehicle will be provided during work hours for pick-ups and deliveries.
