

TM, TMO, STMS Cats, A, B or C

If you are someone who appreciates variety in their day and are looking for a way to further your career, these positions are ideal for you!

You will work throughout the Wellington Region and enjoy the great outdoors and weather that Wellington has to offer.

Ideally, you have prior experience working as a traffic management specialist. You will have an enthusiastic attitude about learning and upskilling, so in time you will be able to take the lead on jobs while working to a high standard independently.

What you'll do:

- Working in all types of weather conditions.
- You need to be able to work both day shift and night shifts, including weekends as they operate 24/7.
- Site setups handovers and removals.
- Site monitoring/ Checking.
- Completing all documentation required by CoPTTM and the company.
- Taking responsibility for the site.

What you need:

- Hold relevant and current TM licences – TTM, TMO, STMS Cat A, B or C.
- Have your Full Class 1 or 2 licence (or be working towards a Class 2)
- To have own reliable transport to get to and from work.
- Have good time keeping, a strong work ethic and be totally reliable.
- Have a high commitment to Zero Harm with a strong understanding of safety policies and procedures.
- Enjoy a busy work environment.
- Pass a pre-employment drug test and random drug tests thereafter.
- Be well-presented and have great customer service as this is a public facing role.
- Have your own PPE relevant to traffic management.

In return you will get:

- Competitive hourly rate and paid weekly.
- Ongoing training and development.

To be considered for this role, an interview will take place and references will be conducted. You will also pass a pre-employment medical, drug and alcohol screening.

Applicants for this position must have NZ residency or a valid NZ work visa.

You can email your CV and cover letter to - anne.smith@jobsmith.co.nz or kayla.robinson@jobsmith.co.nz to apply.
