

Graphics Sign Writing Printing & Applications

For this varied role, our client is looking for a skilled person from the above fields with the following attributes:-

- Strong Attention to detail;
- Technical Aptitude;
- Knowledge of Vinyl application on all surfaces;
- Understanding of quality and customer expectations;
- Work collaboratively with the other teams;
- Proactive in putting forward ideas for improvement;

We welcome you to apply and take the opportunity to work for a modern and forward thinking company with the potential to advance.

If this particular role doesn't suit, but you are seeking work within the digital print/media sector why not forward your cv anyway.

Keywords: signage, graphics, printer, application, manufacturing, production, sign writing

Applicants for this position should have NZ residency or a valid NZ work visa.

Email your cv to anne.smith@jobsmith.co.nz or phone us on (04) 499 5119
