

## Project Manager

**Company:** JOBsmith  
**Location:** Christchurch City, Canterbury  
**Type:** Full time, Permanent  
**Listed:** Tue, 26 Mar

**Your reference #:** ProjMgt

Our client is enjoying sustained growth with a number of exciting, challenging and strategically important projects secured across NZ.

As a result we are actively recruiting experienced project team members to join their expanding Christchurch office.

We are looking for:-

- All grades and levels from Project Administrators;
- Senior Project Managers;
- Structural Engineers (with Seismic exp).

If you strive to become part of a high performing team culture, have a strong background in project management and are able to effectively plan, resource and deliver projects to the highest of standards, then we are interested in talking to you.

In the first instance forward your cv to [anne.smith@Jobsmith.co.nz](mailto:anne.smith@Jobsmith.co.nz)

Applicants for this position should have NZ residency or a valid NZ work permit.
