

Trade Assistant/Caretaker

Mechanical Aptitude

We require a reliable handyman for 44hrs per week for maintenance duties around the Wellington CBD.

Your days will be varied from assisting other trades people with installations; changing light bulbs to painting.

You will:-

- Multi-skilled;
- Reliable and flexible – early starts early finish
- Physically active as you will be up and down ladders;
- Enthusiastic with good communication skills because you could deal with a variety of people in a day;
- Take pride in your work;;
- Have the ability to organise & prioritise as you will plan your own days.

You will be reliable and have a flexible attitude and able to commit to 2 days each week on a regular basis. Immediate start if possible.

A clean police record and drivers license are essential for this position.

Apply now for interview. This role won't last long!
